

OVERTIME for Playoffs

In the event of a tie, after regulation time, the teams will rest for 5 (five) minutes, change ends and play a full ten (10) minute period with the last two (2) minutes of the period being stop time. If no decision, the teams will change ends for the last time and a series of five (5) minute periods rest and ten (10) minute periods will be played until the first goal is scored (sudden victory). Running time will be used for all sudden victory.

REFEREES for Playoffs

No visiting team may, in league or post season play, bring a referee from outside the home teams association without prior consent from the home association. 48 hours notice is required and under no circumstances may team personal contact or chose a referee on their own. If the request is granted, the visiting team head referee or zone coordinator shall assign the referee.

The visiting team is responsible for that traveling referee game fees and travel costs. Remember that the home team is under no obligation to agree and may decline.
